"Inducement flights": will operate when Coastal has enough traffic to justify the operation, or when the extra cost is covered.

"Flexible connection": is a flight operated for the specific purpose of connecting with an International Airline and may change timing, depending on the timetable of the International Airline it serves.

"Stops on request": means our ability to stop in an airfield of the customer's choice. However for operational reasons only a limited number of stops are possible. We request you to enquire in good time.

* Means flights closed during the long rains (mid March-end May) for exact dates please contact us.

Please note: All prices are subject to change in the case of unforeseen events.
